

Our club aims to maintain high standards in both golf and clubhouse attire to enhance members' and guests' experiences. To align with these standards, we ask that members and guests respect the following guidelines.

## Restaurant and Golfer's Bar Dress Code

- The clubhouse and restaurant maintain a casual yet refined dress code, allowing for slightly more relaxed attire than on the course.
- The Golfer's Bar is exclusively for golfers—a perfect spot to relax and enjoy after your game, with the same dress code in effect.
- Smart casual attire & Golf wear are acceptable. Beachwear, sports tops and flip-flops are not allowed. Headwear should not be worn indoors.

## Mont Choisy Le Golf Dress Code

- Recognised golf attire is required on the course and practice facilities:
  - Ladies: Skirts, skorts, dresses, tailored shorts, tailored pants, collared shirts, with or without sleeves, can be worn untucked if elegantly presented.
  - Men: Tailored trousers or shorts; collared shirts with sleeves, tucked in for a neat look.
- Golf shoes with soft or spikeless soles are required for all players. Denim, beachwear, sports tops and flip-flops are not allowed. Headwear should be worn forward on the course.
